

BACHELOR OF ARTS IN CRIMINOLOGY & LAW

Great is standing for something bigger than yourself.

It is a great honor to work in the criminal justice profession. When you choose the **UF Online Bachelor of Arts in Criminology & Law degree**, you earn the same career-building credentials as our on-campus students. Our interdisciplinary curriculum focuses on the development of law within society and explores the complexities of legal, social, political, historical and psychological influences. Earning a degree in a field you love is great, but earning a degree that can help get you hired is even greater.

Program Highlights

- Prepare for careers within the criminal or juvenile justice systems (i.e., courts, law enforcement, corrections) or pursue law school.
- Build an interdisciplinary breadth of knowledge that is fundamental to all areas of criminology and law.
- Benefit from 100% online coursework so flexible you can complete your general education requirements concurrently with your degree-specific courses.
